

The Baseball Field

The Baseball Field

Baseball Knowledge – The Field

- What shape is a baseball field?
- What are all the bases called?
- Where does the infield end and the outfield start?
- What is a foul ball? What is a fair ball?
- Where do you sit when you're waiting to hit?
- Name all the positions on the field (9)
- What happens when you pass home plate?
- Bonus questions:
 - What happens when you hit it over the fence in the air?
 - What happens if you bounce it over the fence?
 - Which team hits first and fields first?
 - Where do you warm up when you're up next?
 - What is the only base you can overrun and not be tagged out?
